LET MY FEET HAVE WINGS

Written by young composers from Northumberland and Cumbria
Original concept from Alnwick Creative Music Club with Sarah Gray
Adapted by BlueJam Young Music Leaders, Wreay, Bewcastle, North Lakes Schools with
Jilly Jarman

Ah!
Yeah, the Olympics, the Olympics,
You can win gold if you
Train like you never trained before

Run, run, run faster,
Jump, jump, jump higher,
Swim, swim, swim further
Row, row, row harder

Lining up, lining up,
Lining up, lining up at the start,
At the start of the race

All of the runners are faster than me
But I'll run as fast as my spirit lets me

Pass the flame, keep it burning,
Through the streets, heads are turning
At the thrill, at the thrill of the games

See the crowd, tension building,
See the crowd, cheer your nation
And the hope on the runner's face

On your marks, starter's orders
On your marks, hearts beat faster
At the start, at the start of the race

All of the runners are faster than m
But I'll run as fast as my spirit lets me

Time is running out you'd better get it right

Let my feet, my feet have wings.
